

A tall, red lighthouse stands on a grassy hill. A gravel path leads from the foreground towards a white building with a dark roof in the distance. The sky is a mix of blue and orange, suggesting a sunset or sunrise.

UPDATE FROM PERU

Safe Harbor Family

Brain cancer took away your ability to walk, then talk, then took control of your 11 year old body... We were encouraged after completing your first round chemotherapy treatments. You were allowed to go home with your little brother, sister and MOM!

God allowed us all a time of love, family and prayer. Unexpectedly, you had a major seizure. Your Mom held you all the way to the emergency room..

The hands of CHRIST reached down in your Mother's arms and embraced you, taking our beloved José Manuel to Heaven.

Your little classmates carried your casket into the church singing praises to our LORD.

We are heartbroken.

We embrace the promise of Heaven.

We love you.

Dave & Cristy

Welcome!

Welcome to Safe Harbor Community Church!

We hope that this worship service is a relevant and meaningful time for you. If you have any personal needs, feel free to contact us. You will find information about the church, as well as a statement of belief, in the lobby. Please join us for refreshments on the front porch after the service.

You will find registration cards on the back of the chair in front of you. Please fill one out and place it in the offering basket. Should you have any prayer concerns, please note them on the back of a registration card and include it with today's offering.

Assistive listening devices are available in the sound booth at the rear of the sanctuary.

Prayer Ministry

There are individuals who are prepared to pray with anyone who needs prayer support. If you would like personal prayer, please make your way to the foyer during the singing of the Closing Hymn. Your prayer request will remain confidential unless you indicate that you would like it to be placed on the congregational prayer list.
