BENEDICTION

CONFESSION

Lord Jesus, I have sinned times without number, and been guilty of pride and unbelief, and of neglect to seek you in my daily life. My sins and shortcomings present me with a list of accusations, but I thank you that they will not stand against me, for all have been laid on Christ. Deliver me from every evil habit, every interest of former sins, everything that dims the brightness of your grace in me, everything that prevents me taking delight in you. Amen.

THE LORD'S PRAYER

Our Father, which art in heaven,

Hallowed be thy Name.

Thy Kingdom come.

Thy will be done in earth,

As it is in heaven.

Give us this day our daily bread.

And forgive us our debts,

As we forgive our debtors.

And lead us not into temptation,

But deliver us from evil.

For Thine is the kingdom,

The power, and the glory,

For ever and ever.

Amen.

My Beautiful Girls and Their Drama

Their precious hearts, their deep hurts

It's obvious that the Lord's heart is compassionate of the orphan. We just have to look throughout His Word to see how much love He has for them and how much He wants them to live in the abundant life He came to give us all. I have no doubt He sends the right people to champion for them in the **right** time to address certain things. *However, in my heart*, I have the desire to **just fix everything** immediately. My desire is for all the children in the home to be kind to each other and to know how to love each other well because they are the only people they've got. *In my heart*, I would like to just have everyone overcome their past and heal from their pain and live in the freedom the Lord has for them at this present moment.

More than anything, my desire is for the girls is to know that there's **no greater love than the love of Christ**, the only one who can truly satisfy what their heart is yearning for. My prayer is that the Lord may allow me to learn in humility, that I may avoid drinking a cocktail of ignorance, emotion, and pride as I navigate through these murky waters towards these kids' well-being. I'm still learning that **the process is the outcome**. ~ **Jeannie Diaz, Reliant Missions- Honduras Ministry**

Even Better Than Eden—Nine Ways the Bible's Story Changes Everything about Your Story

There's a story that is found in the pages of the Bible—from the book of Genesis through the book of Revelation—that shapes and defines where I came from, why I am the way I am, what my life is like day to day and what is ahead for me in the future. It is the story that explains my deepest joys as well as the empty places where contentment can be elusive. It is this story that explains my drive to be somebody and my sensitivity to feeling like a nobody. It explains what makes me cry and why I can laugh. This story explains my desire to look good, my craving for the good life, my longing for home and security, and much, much more.

And whether you know it or not, this same grand story—the story found in the sixty-six books of the Bible—shapes the world you live in, who you are, and what you want too. That's why you and I need to know this story. It is where we find the answers to the questions about what really matters now and into eternity. This story has the power to change everything about our stories.
